

# Sponsorship Opportunities

Consider a sponsorship investment with the National Association of Insurance and Financial Advisors – Minnesota. NAIFA-Minnesota hosts quality educational meetings, socials, and advocacy events throughout the year for our members to learn and build strong relationships with industry peers. Our events are headlined by national speakers and regulators to keep our members educated and informed. We also provide members, as well as sponsors, with an opportunity to network, learn more about each other's practices, collaborate, and foster partnerships.

Listed below are opportunities to make the most of your sponsorship dollars. If you have an idea for an additional benefit that we didn't think of, please reach out. We want to do all that we can to maximize your return on your sponsorship. We look forward to seeing you and your name at future events, as well as continuing to build relationships with you and your organization as partners. If you have any questions, please reach out to us at [info@naifa-mn.org](mailto:info@naifa-mn.org).

Thank you,
